REFERENCE: /~~XXXXXXXXX~~/Meadows TeleCon of October 22

1. Reftelecon informed Dept that Santini wanted fix dates for informal meetings in Washington and proposed either November 6 and 7 or November 12 and 13. Dept considers that 6 and 7 too early for adequate preparations. November 12 and 13 acceptable but Dept doubts that two days sufficient for fully productive meetings. However, as stated in Bouchever/~~XXXXXXXXX~~/Rodriguez telecon of October 22, Santini should not repeat not be given impression that USG deliberately delaying date for meetings.

2. Accordingly, Santini should be informed that Dept appreciates Santini willingness come to Washington and prepared meet with him beginning November 12 (although Cherington not available then). Cherington available week Nov 17 but understand Santini would not be. However, Dept believes two days not sufficient to cover all items that should be dealt with in informal talks. Therefore, hope Santini will be able to extend visit or to suggest later time when he could stay longer. Also advise ~~XX~~ Santini that USG reviewing results all informal discussions held since ~~XXXX~~ December 1968 negotiations and hopes, if possible, provide him with complete summary of current USG views on all outstanding issues prior next informal session.
